

## **SUPERINTENDENTS' ADVISORY COUNCIL**

The Superintendents' Advisory Council was formed for the purpose of providing a direct communication link between district superintendents and the Director of the Department of Education. The Council advises the Director on potential policy and planning issues and provides feedback to the Director on the impact, or potential impact, of actions of the Department of Education, the State Board of Education, and others.

The Council is composed of one superintendent from each of the nine area superintendents' groups, one AEA administrator from the state, and one superintendent representing the Urban Education Network.
