

Iowa School Counseling Mission Statement

The mission of the Iowa Department of Education Teaching and Learning is to support all school counselors in implementing data-driven, standards-based, comprehensive school counseling programs that address the academic, career, personal/social development of all students.

As transformed leaders and student advocates, professional school counselors will collaborate with stakeholders to remove institutional and environmental barriers, close achievement and opportunity gaps, and ensure access, equity, and success for all students.

As a result, all students will be empowered with the skills, knowledge, and attitudes to graduate college, career and citizen ready.
